

# Herb Kohl Initiative

The Herb Kohl Initiative Scholarship is designed for individuals who have overcome personal obstacles or other adversity to become a successful, motivated student. The \$10,000 scholarship is aimed at students who are not necessarily at the “top” of their class academically, but those that have worked very hard to be successful in school and pursue a post-secondary education despite obstacles and/or adversity they may have faced.

To Apply:

Write an essay including the following.

- Describe/explain obstacles and/or adversity you have overcome
- Describe your goals in the following areas:

Future education

Personal life

Future community service

Future career
