D. ESSAY

On a separate sheet of paper, type a statement of 750 words and not exceeding 1000 words, answering this question:

Internet is a valuable asset to a rural community. We have higher speeds available to us than some urban communities have. How do you believe Internet will play a role in attracting business and economic development in 10 years from today into our rural community? What role will it play in keeping and attracting the youth back into the rural community after graduation from college?
